

October 2009

It is hard to believe that we are already into the month of October. With homecoming, fair week, and spud harvest behind us we can finally get into a regular schedule. Our fall sport seasons are beginning to wind down so now is a great time to get out and support our teams as they work hard to finish out the regular season on a winning note. District and state tournaments are right around the corner so put on your best blue and white clothes and come support the cougars.

As a school we are finishing up our first round of ISAT testing for the year. This test is given to Juniors and Seniors who have not yet met their proficiency marks. Sophomores also take the fall ISAT as a practice test. The information from this test is used to determine what we need to do to prepare students for the spring test. On a side note, I have been in and out of all the classes here at the high school and great things are happening. We have an outstanding staff of teachers and paraprofessionals who are willing to do whatever it takes to help students succeed.

We recently received our ACT Results for the past year and our students performed very well.

	Our School	State
English	21.3	20.9
Math	23.2	21.3
Reading	24.3	22.3
Science	22.3	21.4
Composite	22.8	21.6

I would like to take a moment and thank all the parents and staff members who have given up their free time to help out with the activities we have participated in this year. We have had several dances, the scone booth, senior barbeque, and committee meetings. I know your time is valuable and I would personally like to thank you for helping us have a successful year so far.

October Activities
